Subject: TCEQ Comments to Lane Plating SAP
Attachments: TCEQ_LP_SAP comments_01Feb2019.pdf

Kenneth,

TCEQ's comments on the Sampling and Analysis Plan for the Lane Plating RI work are attached. Rebecca will be in the field until late next week, but you can copy me if you have any immediate questions in case she is unable to respond. We appreciate the opportunity to review the plan and look forward to continuing to work with you on this project.

Have a good weekend!

Sharon
